BEHIND THE Scenes

JUNIATA COLLEGE

ALFARATA 1994

Behind the Scenes

Juniata College can be characterized by many different things. There is Lobsterfest, Madrigal and Madrigal line, Springfest with mud volleyball, the never ending parties, the sports programs, and of course our academic programs.

At any time you can walk on JC's campus and see these things in progress. But, what we some times fail to see is what makes these things possible. That is, what goes on behind the scenes.

Food service spends hours preparing all of the food we enjoy at Lobsterfest. Phi Chi Theta stomps mud we bury ourselves in during mud volleyball. We spend hours studying before we take time to socialize.

Therefore, because there is so much that goes unnoticed on JC's campus, the Alfarata invites you to take a look Behind the Scenes at what makes everything possible that we so thoroughly enjoy.

Crystal Veitch and Kelly Sekula enjoy a night in the dorm.

John Sterner gives us a glimpse of what goes on behind the scenes after drinking too much.

Behind the scenes, these three masked bandits: Heather, Christy, and Melanie take beer from the rich and give it to the poor.

Jen, Bev and Ang celebrate Madrigal together.

Angela Hazuda takes it easy behind the scenes, after a long week of classes.

Womens' soccer takes its place in the sports scene at JC with Jocelyn Hochman as one of its team players.

Christine and Lori demonstrate what goes on behind the scenes during a rugby game.

This student shows us how he likes to dress behind the scenes.

This group poses for a picture before heading to the main event: Madrigal.

Maria, Carla, and Andrea, try to keep warm while waiting in Madrigal line.

Behind the scenes: these senior girls look like they are planning something mischievous

BEHIND THE Scenes

The hockey team comes in to hear some strategies during halftime.

Coach Jill LaPoint tells one of her players what play to run.

Perseverence Pays

"The soccer team came a long way these past few years, and this year's seniors make it happen. They got the attention of other teams in the conference, and the playoffs were within reach. We played some very good soccer, this group accomplished a lot this season and over four years."

Coach John Mumford

Under the direction of Coach Mumford, the JC soccer team held a record of 8-10-2 for the 1993 season. "It wasn't as good as last year's season," stated one of the players, but the team's performance was still outstanding. With the unfortunate loss of the team's senior athletes, the team anxiously awaits next fall's season. The upcoming season looks bright under the direction of team captains Wes Rich and Eric Wood. All players are excited for the 1994 season as they hope to kick off a new season and boost the team record.

Stick With The Sticks

"This year's team was compiled of many talented individuals. Their hard work and determination allowed us to finish the season as a very respected member of MAC. We have set lofty goals for next season, goals that I am confident this group will conquer."

JC has some really good stick players as they had an outstanding field hockey season. The three seniors: Amy Onofrey, Anna Pontillo, and Abby Walshaw showed performance. The squad, along with Coaches Maclay and LaPoint, had an 8-7 overall record and a 3-4 record in the MAC. The two captains Beckie Jump and Erin Reed and the outstanding players sensed a great team spirit. "Everyone was pushing hard and it was a lot of fun along with the great experience." said Missy Williams. The players worked really hard over the season and are once again reaching for the top as they have pursued in the previous seasons.

"The 1993 Juniata College football season was filled with ups and downs. The whole team will remember that the senior class was out on an emotional wire that will springboard us into the 1994 season."

The football team did not have as great of season as they would have hoped for, but the blue sky nor the gloomy clouds distracted the football team from trying their best. Some players claim that some of the techniques were still new to them. The team captains were Scott Temple, Frank Chierech, Matt Baker, and Todd Consiglio. The overall record was 1-9 and 1-4 in the MAC. They were upset about the slow start to the season but they were eventually successful in one game. JC versus Susquehanna was the memorable game of the season when JC defeated their opponent 21-13. The entire football team hopes to better their team record in the upcoming fall season.

Members of the team practice some plays before the beginning of a game.

"I have really enjoyed being the cheerleading advisor this year. The cheerleaders have worked so hard and share a very unique sense of "team" unity. Their long hours of practice have paid off and I think JC students should commend them for their efforts on the field and the court. It is my hope that the sports teams will continue to appreciate their support and that they will gain the respect they deserve as varsity athletes. I am truly proud of each one of them. Let's hear it for the cheerleaders."

Advisor Jean Thomas

Spirit Boosters

When everyone's spirit was down, the JC cheer leaders came and showed great enthusiasm and sup port. They tried their best to keep up the players spirit.

"GO, JC, GO!" echoed in the courts of the Basket ball games. Once again when the players' spirit were down, the cheerleaders pumped up the player's ener gies. The cheerleader's enthusiasm and dedication to their sport was highly appreciated by the spectators. They have worked hard during the season and deserve a big hand of applause from each of us.

The Women's Volleyball team was very successful this season. As in the past, the team made it to the NCAA Championship. Not only did the team make it to the championship, but they did not have to travel far. Juniata was the host of the games. The team looks forward to next season and hopes to do just as well, if not better.

GREAT EXPECTATIONS

"Just when we felt the rebuilding process was on schedule, we run into a season like this one. First, of all, we faced the toughest schedule in my thirteen years here at Juniata. Secondly, by mid-season, we suffered 3 major season-ending (possibly career-ending) injuries to key contributors; yet the moral and competitiveness of these guys were still as present in that 24th game as in the first game. We still maintain a solid foundation and high expectations for the future."

The men's basketball team "faced the toughest schedule in thirteen years here at Juniata" said the Coach Jim Zauzig. Injuries thwarted these mentally tough men especially the team's only senior guard, Jeff Kearns, who injured his knee against Moravian. Currently, Kearns ranks seventh on the Juniata 3-point field and twelfth in assists. Another victim of an injury was forward, Craig Instone, who suffered a hand injury during the final week of the season. Well, if Kearns and Instone were out of the game, then who were the stars of the season. Mark Patrick and Gary Black led the team during the tough season. Patrick had the highest average- 16.6 ppg. Forward, Rob Sharkey, guard, Frank Vogel, and Josh Adams, pitched in to play the tough season with high expectations. The team hopes for a better record, as they anxiously await to be on the court next season.

Women's Basketball had a squad of young players who gave it their best shot during the season. These young ladies worked hard and ended the season with 8-6 record in the league and captured fourth place in the Commonwealth League. In this challenging season, who were these talented ladies? The most consistent player of the season was the team's only Senior, Joy Hammers. She averaged 18 points and 9 rebounds per game. "She will be hard to replace" stated Coach Risser. Another contender of hard work was the center, Ellen Chudovan, who averaged high scores in rebounding and in scoring all season. "Ellen was a model of consistency" stated Coach Risser. Others in the squad were Heidi Kratzer, Amy Hepner, April Mlinarchik, and Kerry Stefanko who all improved immensely as the season progressed. The team is looking forward for another challenging year and bids farewell to their star- Joy Hammers.

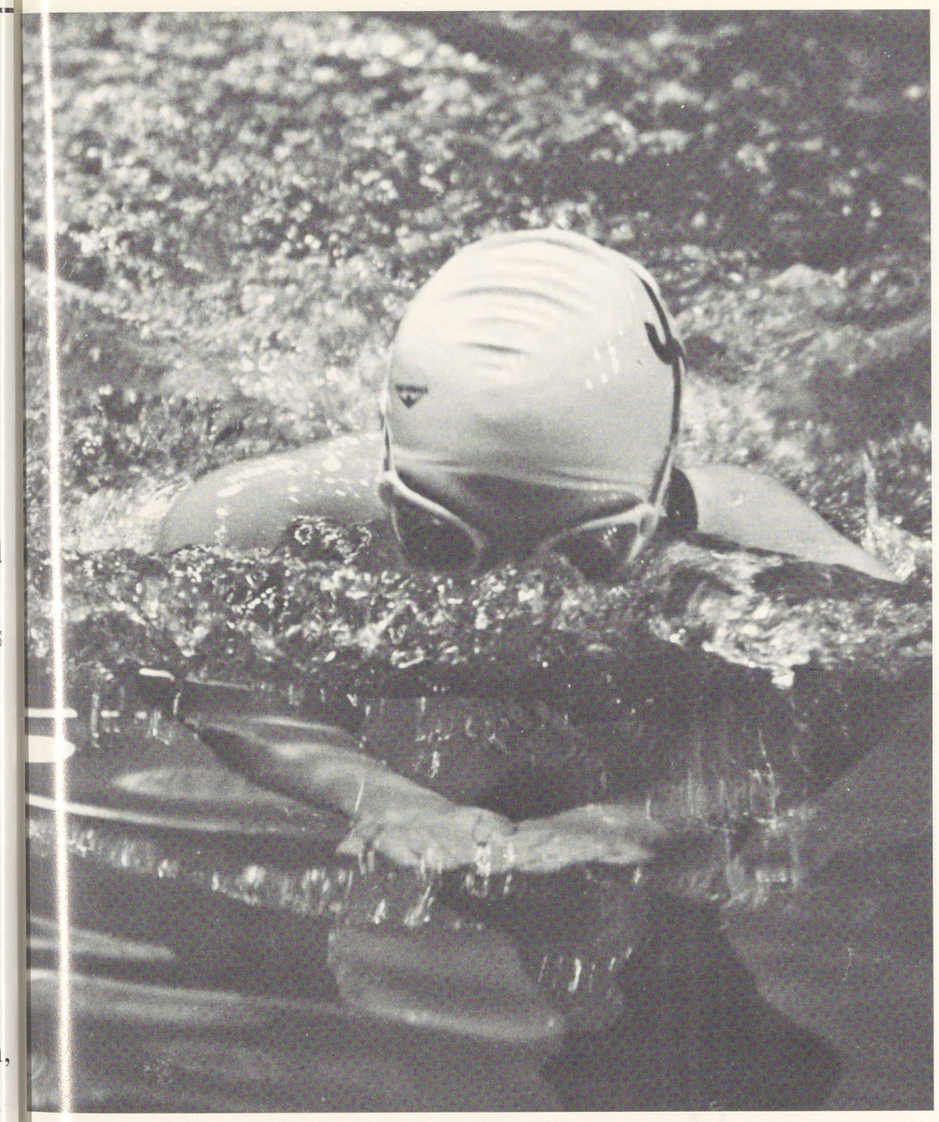
The JC swim team had a tough start to their season. Beginning the season without a coach and very few swimmers, the team had a lot to over come. Things started to come to together though by the time the first meet came around. The women's team finished with and overall record of 2-7 and 9th at the MAC Championships. The men's team finished with a 0-6 overall record. Those swimmers who had individual first places at various meet were: senior, Carl Fredrick, sophomore, George Sanders, se nior, Kathy Vedock, junior, Marie Sullivan, sophomore, Jennifer Dein, and freshman, Heather English.



A member of the Women's Swim Team competes in the breast stroke event.

The swim team for 1993-1994 was much smaller when compared to this team from years past.

Under the direction of Coach Larry Bock, the Juniata Men's Volleyball team captured the second position in the Asics and third in the McDonald's Invitational. Though the team didn't have a winning record, they played their best matches ever played at JC. They started out the season with a clean swing. Some of the hot players in the squad gave their best shots at the games. Freshman middle hitter, Chris Fazio, led the team with 88 kills in 28 games. His hitting percentage was .503. Junior idle hitter, Ryan Patton, had 64 kills in 26 games with a hitting performance of .462. Sophomore, Grant Wasylik, led the team with 2.13 digs per game. According to the national team stats, Juniata is in the 5th position in hitting percentage. The team can hardly wait to be on the court and go for kills again. With these bright players returning, JC men's volleyball team hopes for another great yet challenging season.

"The 1993-94 JC grapplers became the seventh consecutive team to post a non-losing season, finishing with a 7-5 dual meet record. Leadership was provided by captain Jeff Batey. Batey and fellow senior Nate Maclay, will be missed by next year's squad. With eight of the ten weight classes returning letter-winners next year JC should again like before be very competitive in the MAC."

Once again, JC wrestlers had a terrific winning season. They went 7-5 overall and placed 9th at the Middle Atlantic Conference. The captain of the team, Jeff Batey, possessed a great leadership quality. Under Coach Simpson's direction, the team was able to put together a winning record. During the Lebanon Valley Tournament, the JC wrestlers captured three places: Heavyweight, Rob Wallis, placed 6th, 126 pound Brent Simpson and freshman 190 pound Dan Kensinger both placed 7th. At the MAC Tournament Rob Wallis made it to the finals before losing to Lyle Wesneski of Lycoming. Matt Osman also placed 4th in the MAC's. In the Eastern Regionals, JC was in 14th place, however Rob Wallis came in 5th at heavy weight. The team is once again looking forward to another victorious season.

The Men's and Women's Cross Country teams had a very tough and challenging 1993 season. The team was fortunate, though, in being able to return all of the previous seasons runners. All though the team's record may not show it, the team had a very good season, with some very close meets. They look forward to next season and hope to one again return all of their runners.

The men's team did well also with a record of 2-4. The team looks forward to next season and both teams hope to end next season with winning records.

The JC Baseball team faced many chal lenges even before taking the field. They completed the year with a 5-22 overall record and 4-8 in the Middle Atlantic Conference. This is only their second losing season since 1987. The team had problems in pitching along with other problems. Yet the spirits of the team remained high, and they hope for a better season next year.

Game-Set-Match

"The fall of 1993 women's tennis team was successful in that it won more than half of its scheduled matches in the reorganized MAC. This was largely because of the play of the experienced senior co-captains, Betsy Van Horn and Becky Laffey, and the depth provided by mostly new members of the team. In addition, Anne-Valerie Horvil won both the Rolex Northeast Regional and the Rolex National Small College Division 3 Tennis championships. Then in a "champions only" playoff she defeated the Division 2 champion. Juniata has never previously had a player advance beyond the first round in national level tennis competition."

PARENT'S WEEKEND

The annual Parent's Weekend began on Friday, October 29th, with the arrival of most of the parents. Some of the parents arrived just in time to take their sons or daughters to dinner and to Friday Night Live, featuring Jonathan Solomon. Saturday brought many sporting events to attend, the picnic on Oller Lawn, and the performance of "Bolcom and Morris", in Oller Hall. On Sunday morning, many attended the Parent Appreciation Breakfast, went on the all-campus worship, and maybe went out to lunch together before the weekend ended.

HOMECOMING

Homecoming Weekend took place from October 8-10, welcoming back all the alumni and their families. The festivities began with the annual lip sync contest between classes, with the Senior class coming out on top again. Activities on Saturday included many tail-gaiting events for all the home sporting events, including football and soccer. On Sunday, some of the alumni participated in alumni games, to prove that they still could play as well as they did while they attended JC. Homecoming was a great time of reuniting and catching up on old times with old friends.

GRADUATION

Graduation is a joyous and sad time. Graduation signifies for most Seniors that they survived a long and trying four years. At the same time the class of 1994 will be saying good-bye to all they know and cherish here at Juniata College. They will say good-bye to fellow students and faculty, and the many friends they made along their journey through this chapter of their life. And, while this chapter in their life is closing, a new one is about to begin. For some, it will start at graduate school, while others it means starting a new career. Wherever the class of 1994 goes they will always remember that day in May when they processed down the isle, sat in the cold, received their diploma, and then left Juniata's campus to begin a new life.

Behind The Scenes

As we bring to a close a another year at Juniata College we look back on all the wonderful memories. The Seniors remember their years at JC and the fun times spent with friends. We remember activities we were involved in and special events we attended.

What we sometimes forget is that special memories would not have been possible if the work behind the scenes had not taken place. The Seniors would not graduate if they had not taken time away from socializing to study. The Women's Volleyball Team would not have made it to the Final Four had they not spent hours behind the scenes practicing. Even this yearbook would not have been produced if its staff had not taken the time, behind the scenes, to design pages, write copy and captions, and had taken pictures.

Sometimes we need to remember to look past the surface and see what is going on **Behind the Scenes.**

The 1994 Alfarata takes a look, Behind The Scenes, at Juniata College. The Alfarata staff spe the year uncovering the things that make life at Juniata, as we know it, possible. It is amazing h much you can learn if you take the time to look past the surface.

Lobsterfest, Madrigal, Presidential Ball, Friday Night Live, and all the other events we enjoy, ju do not happen. There is a lot of work that goes on behind the scenes.

The same holds true for class work and sports. On the surface we can see the JC stude partaking in the social life; spending time relaxing outside or going to parties. But, this happens o after we spend hours of studying preparing ourselves for the various exams we will have to ta throughout the year. Our athletes also spend hundreds of hours, behind the scenes, practicing a preparing themselves for the season ahead of them.

The Alfarata is also the product of many hours of behind the scenes work. The staff spends hou designing the book, taking photos, writing copy, and developing and proofreading pages. It because of this hard work that everyone is able to enjoy the 1994 Alfarata and retain the memor forever. Therefore, I would like to thank Abe and Devor for developing all of the pictures display in the Alfarata. I would also like to extend a very special thanks to Bev and Jostens, Donna Weim our advisor, and Jan Walter, my assistant.

Unexpectedly, I spent the second semester in Florida participating in the College Program Walt Disney World. I could not leave the yearbook hanging though, so through the help of B Donna, and Jan, I was able to still help publish the Alfarata. Donna supported the idea of me tryi to publish the book while in Florida. Bev and Jostens were willing to help us in any way possib whether it be with instructions on developing pages or extending our deadline for submitting pag

A lot of the credit for the 1994 Alfarata must go to Jan though. She took over the responsibil of getting everything done in Pennsylvania so that I could get everything in Florida. She learn everything that went into developing pages and running the Alfarata a week before I left, and s has done everything perfectly. For the first time in four years all of the pages were submitted on tir and that is because of Jan. I cannot thank Jan enough or be able to let her know how muc appreciate her willingness to take on a bigger role in publishing the Alfarata. I will never forget h help, she has done a wonderful job.

So, now with only one year left at JC, I pass my role as Editor-in-Chief to another student. I ha enjoyed publishing the Alfarata and will take with me the memories. But now it is time for somec else to experience the Alfarata from Behind the Scenes.
